

BharatBenz Caravan

Transforming Indian Commercial Vehicle Industry through Adaptive Mobility Solutions

Pioneering the wheels of progress for more than a century, Daimler introduced BharatBenz for India in 2012 with one definite promise – To transform the Indian Commercial Vehicle industry. BharatBenz symbolizes the harmonious confluence of the values, ideologies, and the spirit of India with the lineage of invention, innovation, and engineering excellence through its commercial vehicles.

The aggressive and forward-looking policies of BharatBenz and the Kerala Government are making caravan tourism a possibility. There are 10-12 caravan parks in different locations at different stages of development with the help of Kerala Government. BharatBenz takes this opportunity to launch their luxury caravan. 1st of its kind to travel the roads of this picturesque country.

Feed The Longing Of Your Soul

Embark on a journey in the lap of luxury

Kerala – Gods own country has been blessed with beauty that is beyond words. Every location be it the 600 km coastline or the western ghats. The tea, coffee plantations and the national parks invite tourists to come fall in love. There is no better way to tour Kerala than by road.

Just Imagine doing so in the comfort of a caravan.

For those who dream of wonderful travels in luxury and style, BharatBenz Caravan takes you on a memorable journey. Whether a round trip, a city tour or long-distance travel, our luxury motorhome is designed to take you anywhere your heart desires.

This design marvel epitomizes the travel experience with all its aspects tailored to whisper elegance and pay attention to even the minute details. It's fully equipped with everything on-board for all your road trips in unparalleled comfort. Once you've had enough of the road, the state-of-the art entertainment systems, luxury furniture and appliances, and spacious living quarters will have you feeling right at home.

Designed To Delight

This mobile home has been designed for holidaying in comfort and luxury. It comes with 4-reclining loungers in the lounge area that offers beautiful views through large windows and a 43" television screen. The vehicle provides 4G internet connectivity, enabling the travelers to stay in touch with the world during their vacations.

The lounge area is great to hang up your hat on the rack and enjoy a relaxing afternoon reading a book by the light, as the HVAC system run by a silent gen set creates a relaxing atmosphere. If needed, you can enhance it even further with subtle LED mood lights.

Home Away From Home

Cooking can be a comfort when on a holiday and this luxury on wheels comes with a fully equipped kitchen to prepare precooked/small meals or heat packaged food. The kitchenette is fitted with a fridge, kettle, microwave, a blue water sink, and cabinets to keep cutlery, crockery, glasses etc. The high gloss cabinets with brass accents are easy on the eye and compliment the overall interior of the vehicle.

The caravan comes with a fully equipped bathroom. It's fitted with blue, gray, and black water tanks. The tiled floor, moulded sink, large mirror, and rain shower-equipped bathing area keep you in home-like comfort.

Summon Leisure At Your Pleasure

When you are traveling on the open road, we know how important it is to get a good rest, at any point during the day or night. That's why we put no limits to our creativity while designing your unique motorhome.

The double bunk beds make it ideal for family travel. The beds have large windows bringing in the views from the outdoors. The comfortable mattresses and the strategically placed staircase make bunking in this bedroom fun. Each bunk bed is fitted with its own television. The bedroom comes equipped with a chest of drawers for essentials along with a dressing mirror.

The beds have been padded with 450 Martindale fabric in an Indian print. The PU trims and roller blinds make the bedroom aesthetically quite pleasing and give it a calm feel.

A Sanctuary From The Elements

Built on the impressive BharatBenz chassis, this motorhome is complemented by exclusive design, comfort you can feel, outstanding ergonomics, high-quality appearance, and perfectly matched components.

Every part of the vehicle from a tiny screw to paint, seats, and interior elements embodies our promise of excellence, sense of purpose, and the spirit of innovation.
